Fisher reported Sherriff Vogel has approached the Village to close Hwy 42 from 10am – 4pm on Saturday and Sunday. Hill asked where the closing will start and finish and how will the public be made aware of the closure. He also inquired if it is necessary to close it on Sunday as the crowds are much less. Van Lieshout presented a copy of the route used for a few other events during the year. Hill suggested allowing the business to place vendors in their parking lots to supplement the revenue loss from closing the highway. Wegner presented another route he suggests. It was a consensus this will need to be discussed again in the near future.

Fisher reported the carnival rides down by the Marina were not popular with Marina tenants.
